

Accident Rates and Causes - FAR Parts 91 and 135 - What We Can Learn as GA Pilots.

Aviator Dr. DeJohn from the Civil Aviation Medical Institute, will present findings on GA accident rates and their causes and how these have changed over time. The most frequent causes of GA accidents in 2011 will be discussed allowing for Part 91 and 135 pilots to focus on corresponding recurrent training.

Directions: SGR is located on the west side of Hwy. 6 South, north of Hwy. 90A. Enter the Main Terminal Building.

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?
